

Hello Fellow SGMP NATCAPer's

July 1, 2009 has started a new beginning for SGMP NATCAP. I am excited about the commitment and dedication from the all star Board of Directors. Together we will provide the resources you need to enhance your professional and personal development.

My goal is to take NATCAP to the next level with the assistance of the Board of Directors and our members. We plan to have outstanding programs and networking opportunities for all members. We all seek a "return on investment". . . How do you measure the value of your return on investment? Your membership is important!

This year, we are elevating education by offering intermediate and advanced topics and discussion face to face, as well as virtual meetings through webinars with innovative speakers. Our meeting locations will open doors to many government meeting professionals.

We have several initiatives on the horizon for NATCAP: CEU credits, Interactive Website, Social Media, Feature Columns in News & Views, Recruitment/Retention incentives and outreach to several local Charities.

I would like to challenge you to elevate your education development, your meeting participation, your involvement and our partnerships.

Join me for a NEW and EXCITING year with SGMP NATCAP!

GO NATCAP!

Cindy Barner, CGMP
SGMP NATCAP President
